

Franklin School for the Performing Arts

FSPA DRESS CODE POLICY 2024-2025

Proper dress code allows students to work correctly and safely, allows both teachers and students to assess proper movement and body alignment, and aids in technical progression.

All dance and musical theater classes require regulation FSPA stamped leotard, shorts, pants, shirt, as well as appropriate dance shoes. All dress code items are available in The FSPA School Store.

Dress code policy will be enforced in all disciplines. Any student repeatedly not in proper dress code may be asked to sit and observe class. Under these circumstances, a student will be offered a make-up class.

Effective September 1, 2024
