MUSICAL THEATER TROUPES AND DANCE COMPANIES

FSPA performing troupe and dance company members are selected at the beginning of each academic year by audition. These ensembles offer outstanding training and performing opportunities for students in grades 5-12. Members gain performance experience combining voice, dance and acting skills. Students enjoy the camaraderie of being part of an ensemble, working as a team, performing in the community, and building lifelong friendships. For over 20 years, select FSPA performing ensembles have participated in Disney Performing Arts at Walt Disney World, where they entertain large Disney audiences and take workshops with Disney performers, choreographers and directors.

FRIEND IN ME THEATER COMPANY

Friend In Me is a peer driven program for students with special needs ages 10-23. See our catalogue or contact the school for more information.

ACTING AT FSPA for Grades 8-12

Principles of Acting is a traditional acting class that focuses on improvisation, audition preparation, character development, script work and all of the basic skills an actor needs. (Grades 9-12)

Scenes and Monologues, our highest level class, concentrates on script work and character development. Students are held to a high standard and are expected to work on the material outside of class. (Grades 10-12, by evaluation)

Improv focuses on building students' abilities to create collaboratively on the spot. We will explore techniques that will allow performers to feel more confident creating in front of a live audience. (Note: Improv is open to students in Grades 5-12)

Acting Seminar is an opportunity for students who want a broader theater curriculum. During the year, the students themselves will help guide the topics that they want to study. In the past, this class has explored everything from audition preparation to magic, costume design to directing. (Grades 8-12)
